12.0. STORAGE OF BOATS

The Club House comprises The Boat House and the Club Room.

As the berthing space in the Boathouse is very limited the Executive Committee believes that the limited space available should be used for boats which take part regularly in Club events, rather than as a long term boat store.

- (a) Members wishing to be placed on the waiting list for berths in the boathouse should contact the Vice Commodore. The waiting list will be maintained in strict order of application. Notice of members continuing requirement for a berth should be included on the annual membership renewal form.
- (b) Yachts or boats will be berthed within the area allocated as agreed by the Executive Committee. Those members allocated a berth must leave their boats in that defined space. No unofficial or unauthorised exchange or occupation of other berths is acceptable other than sub para (d) below.
- (c) Members berthing boats in the Boat House shall pay a berthing fee per season per boat as recommended by the Executive Committee and approved at an AGM.
- (d) In order to maintain the very limited berthing space available, berth holders not using their slot for a month or more should offer the space on temporary loan, to the next person on the waiting list who intends to sail regularly. This is on the clear understanding that when the berth holder wants to bring his/her boat back to the Boat House, the temporary occupant vacates the berth promptly
- (e) The Vice Commodore, as keeper of the master list of berthing applications, must be informed of all temporary loan of berths.

Members berthing boats in the Boathouse may expect to be asked to temporarily remove their boats when the Club is hosting a large event, and their boat is not entered for that event.
